N'shei of Milwaukee is a community based organization committed to doing acts of Chesed. Our goal is to alleviate the stress on individuals and families during challenging or extraordinary times. Our efforts are directed toward making a complicated time just a little bit easier to manage. Because we are a completely volunteer organization, we rely on our members to keep us efficient and dependable. There are opportunities for anyone who wants to help, and we believe that every person's contribution makes a difference.

If you need assistance, please contact us by phone or email.
