Shovavim is an acronym for the initial letters of six sidros of the Torah (Shemos, Vaerah, Bo, Beshalach, Yisro, and Mishpotim.) These six weeks are a time for Teshuvah, according to the Arizal. During these sacred weeks, Irgun Shiurai Torah organizes Shiurim in Taharas Hamishpacha to help foster increased awareness of these laws.

To be notified of upcoming shiurim in your neighborhood, send an email specifying your location to tapecenter@yeshivanet.com
